

DIGITAL SIGNING PROCESS

PEER LEGAL OFFER

Peer Legal is offering an assisted electronic signing process through Docusign. This service is offered at the price of \$15 per document, with discounts available for bulk numbers of documents

THE PEER LEGAL PROCESS

2

4

Email of PDF execution copy is sent to Peer Legal, with the full names, email addresses and mobile numbers of each person to sign

1

Peer Legal will upload the document to Docusign and enter the details of all parties

3

5

each of the signing parties a secure and encrypted link, to access a copy of the document

> A code will be texted to each of the parties by Peer Legal, to confirm the identity of each signer and allow them access to the document

Once the document is signed by all parties copies will be circulated by email. In addition to the Docusign copy, Peer Legal will email a copy that is inclusive of the Docusign report

> Peer Legal will monitor the nature of the agreement, and provide any ongoing legal advice regarding the appropriateness of the agreement
